

VisionPlus Window Shields

Comco makes it perfectly clear!

Comco's VisionPlus Window Shields extend the life of your workstation's viewing window by protecting the inside of the glass from damage caused by abrasive ricochet. Affordably priced, VisionPlus replaceable Window Shields come in convenient packs of 3 or 10. They are designed to fit all Comco workstations and ProCenters.

Clarity and Protection

Maintain the viewing area in your workstation with affordable VisionPlus Window Shields for optimum clarity and glass protection.

Replaceable in Seconds

Install in seconds with the peel ad stick self-adhesive edge. No need for messy glues, water or squeegees.

Keep New Windows New

Eliminate costly replacement of glass viewing windows, saving time and money while ensuring clear viewing comfort.

VisionPlus replaceable WindowShields come in a package of 3 or 10. Order Comco part number WS2279-3 for a 3-pack or WS2279-10 for a 10-pack.
