

VisionPlus Window Shields

Comco makes it perfectly clear!

Comco's VisionPlus Window Shields extend the life of your workstation's viewing window by protecting the inside of the glass from damage caused by abrasive ricochet. Affordably priced, VisionPlus Window Shields are designed to fit all Comco workstations, including the ProCenter Plus.

Deliver Optimum Clarity

Adhere smoothly and tightly without any disruption to field of view.

Replaceable in Seconds

Install in seconds with the peel and stick self-adhesive edge. No need for messy glues, water or squeegees.

Keep Your Windows New

Eliminate costly replacement of workstation windows. Save time and money while extending the life of your investment.

*VisionPlus Window Shields come in packages of 3 or 10. Order Comco part number **WS2279-3** for a 3-pack or **WS2279-10** for a 10-pack.*
