

PF2489 – DirectFlo™ DF1400 / PowerFlo® PF2400 Tune-up Parts Kit

Establishing and following a regularly scheduled maintenance program on your equipment reduces costly downtime and increases productivity. Enclosed you will find the parts required to perform a routine tune-up on your DirectFlo™ or PowerFlo® production blaster. Should you have any questions about performing your own maintenance give our Technical Support department a call at 1-800-796-6626.
